

Who are Nashville's Children and Youth?

Nashville can be the #1 place to raise a family, but we need to understand who our children and youth are to ensure we are meeting their needs.

NASHVILLE

is home to **142,000** children and youth. Data can't tell us everything about the experience of young people in Nashville, but it can help us better understand ways we can support them.

45,000
children in Nashville are under age 5

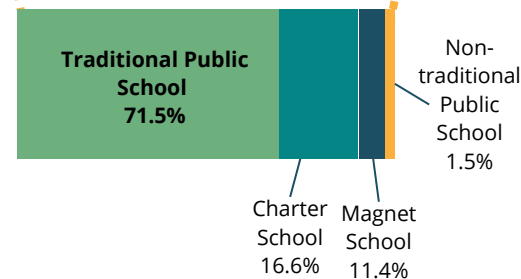

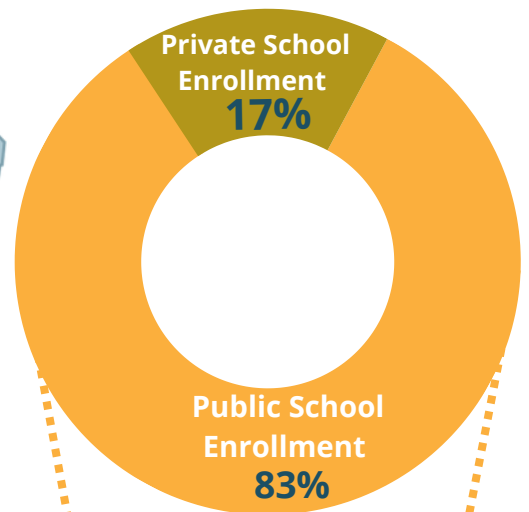

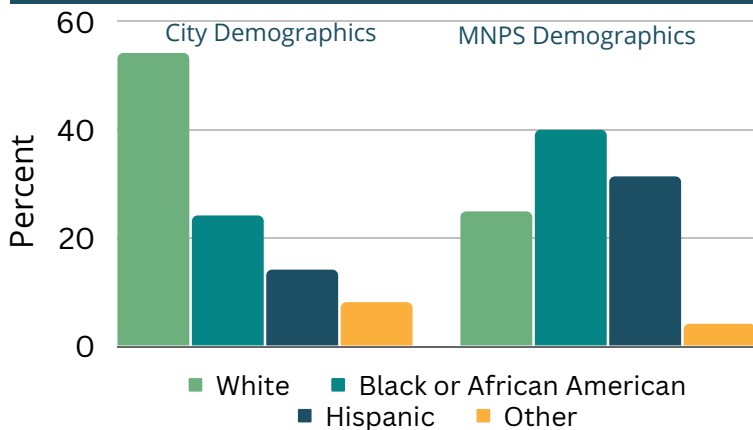

30%

of all 3 and 4 year olds are enrolled in PreK

Over 1 in 5

children live below the poverty line

While our city is over 50% white, 75% of students in our public schools are students of color.

Metro Nashville Public Schools serves an increasingly diverse population with varying needs.

20% English Learners
